## **RULES / RESTRICTIONS**

The following is important:

04 October 2022

The safety of our Residents, Personnel and Visitors is important to us. Our joint and individual actions determine how viral transfer is controlled.:

Thank you for being thoughtful and helping to promote safety for all.

### **Staff**

Wear masks when preparing and serving meals in the main kitchen and main dining room.

All staff screen for symptoms and record findings at the workplace on arrival and before departure.

### **Sanitising hands regularly**

- When entering the building
- When using the bathroom
- After contact with others

### **Maintain safe social distance**

### **Vaccination**

- Is still compulsory for all staff and service providers.
- Is still recommended and preferred for all residents,
- Is still recommended and preferred for all visitors.

### **Visitors:**

- Visitors may not use the service lift to access the D-block
- It is essential that correct ventilation is maintained in the wards and specifically when visits are taking place, windows and doors are to be kept open.
- No visitors will be allowed outside the prescribed hours. i.e.,

Frail Care      10:00 – 11:30 and 15:00 - 16:30 and 19:00 – 20:00

Flats            05:30 – 12:30 and 15:30 – 20:00

Townhouses    05:30 – 22:00

In case of serious illness, the sister of the ward/ consulting room will make the necessary arrangements with the family and the security gate.

**WE WOULD LIKE TO THANK YOU ALL FOR YOUR COOPERATION.**

**RIGHT OF ADMISSION RESERVED**
